

MEETING ROOM POLICY

The St. Francis Public Library welcomes the use of the meeting room by community organizations. The main purpose of the meeting rooms is for the library to provide programming and events for the community. When the rooms are not in use by the library, they are made available for public use, in accordance with the following policies.

ROOM APPLICATIONS AND RENEWALS

- When the rooms are not needed for Library-related activities, they will be made available to other groups on a first come, first served basis. Requests not affiliated with the Library are considered in the following order:
 - City of St. Francis Departments and Committees
 - St. Francis School District
 - St. Francis Community groups
 - Organizations or groups outside of the City of St. Francis
- A representative of the organization that wishes to use the rooms must fill out an application. The application must be submitted at least 7 but not more than 90 days in advance of planned use. Rooms will not be reserved or held until an application has been submitted and approved and any applicable fees have been paid. Drop-in use is not permitted.
- Frequency of meetings cannot exceed once a month per group.
- Groups only need to fill out one application per calendar year. In order to allow the library to plan programming and room use, groups are limited to reserving the room(s) up to 90 days in advance. Additional reservations during that calendar year may be added to an existing application, as long as all of the group contact information is correct.
- The Library Director and the Library Board reserve the right to approve, deny or revoke any group's use of a room. If any use of a meeting room results in damage or disturbance to the library, by direct or indirect causes, the Library Director may deny future requests for meeting room use. Any such denials or revocations may be appealed to the Library Board at its next regularly scheduled meeting.
- The library reserves the right to monitor all meetings held in the program rooms.
- Applications are accepted for the current calendar year only. Current regular room users will be notified when applications for the next year can be submitted. Regular program room users must renew their applications annually, and an updated application form must be submitted.

- Forty-eight (48) hours advance notice is requested for cancellation of a meeting. Inclement weather is an exception to this policy. Any fees paid for the use of the Hoppe Room are non-refundable if the 48 hour notice of cancellation is not given. Due to the high demand for the meeting rooms, repeated cancellations or failure to show up for a reserved time may result in the cancellation or denial of future room reservations.

- As the primary purpose of the meeting rooms is for the Library to provide programming and events for the community, the library reserves the right to cancel a room reservation made by an organization if the room reserved is needed by the Library. Whenever possible, a 48-hour advance notice of cancellation will be given.
